

Pam Newell
Oil painting workshop
Materials List
pam@pnewellart.com
(317) 842-5513

Except for white, only one small (37ml) tube of each is needed.

Titanium white (large tube or more than one small tube)
Cadmium yellow Lemon
Cadmium yellow light
Cadmium red light
Alizarin Crimson
Ultramarine Blue
Viridian green
Burnt Umber

Optional – Ivory black, Transparent red oxide
(You may bring colors you already have)

Utrecht, Gamblin, Windsor Newton, or other professional brand –NO WINTON or Student grade!

Canvas –choose a size you feel comfortable with no larger than 12” x 16”. Primed and stretched, or panels (try Raymar - <http://www.raymarart.com/>) Stay away from CHEAP NO NAME CANVAS!!! You will be buying frustration.

Hog’s hair bristle **brushes** –(flat or filbert) 2,4, and 6 - one or two of each (I like Silver or Royal Langnickel)

Royal Langnickel Royal Sable 2, 4, 6, 8, 10 (various sizes) OPTIONAL

Metal **palette knife** 2” triangular shape

Palette – Masterson’s Sta-Wet palette works well. It is made of lightweight plastic and can hold a piece of 12” x 16” plexi-glass or wooden palette. Place a medium grey paper under the plexi-glass or spray paint the bottom side.

Plastic wrap to cover palette at the end of the day – not needed if palette has a cover.

Razor blade **paint scraper** (available at any hardware store)

Gamsol or odorless turp in a sealable **leak-proof container**. Holbein metal brush washing container is best.

To protect our health, Gamsol is recommended as the safest solvent available.

NO TURPENTINE!

(We will be keeping these containers CLOSED during the majority of class for health reasons!)

Vegetable oil to clean brushes

Vaseline (small container) to coat brushes if unable to clean immediately

Plastic bag or plastic wrap to wrap around brushes for transport

Gloves to protect your hands (nitrile or latex), or Gloves in a Bottle, Art Guard hand protectant lotion

Box of Kleenex **tissues or roll of paper towel** and plastic grocery bag for disposal
